2. An exhibitor will be limited to sell one animal.
3. Animals eligible are: 15 Meat Goats, 6 Market Beef, 16 Market Lambs, 16 Market Swine, and 7 Dairy Heifers, determined on a percentage basis of the actual number of animals exhibited. Two (2) Rabbit meat pens and two (2) Poultry meat pens if eleven (11) or more pens of the species are exhibited. Otherwise only 1 meat pen of the species will be sold. One (1) Bird from the 4H/FFA Fancy Class.
4. No other items will be auctioned **during the sale.**
5. Second Chance Sale Slot rules and procedures:
 - a) The slot will be decided by a random drawing, **the exhibitor must be present to win.**
 - b) Only one entry per junior livestock exhibitor will be put into the drawing.
 - c) You are only eligible for the second chance sale slot once in your show career.
 - d) The exhibitor may choose which animal they want to sell.

6. Reserve Breed Champions will be eligible to sell. If selling the Reserve Breed Champion exceeds the number of animals allocated on a percentage basis; a sale position will be created.
7. A breed division/or class must factor into a sale position to be eligible for representation in the sale using the percentage basis. The formula is as follows: Take the number of animals in the class divided by total of number of animals shown in that species. Then multiply by number of sale slots in that species, the sum equals number of sale slots for that species. The sum must be greater than .61 to factor into a sale slot.
8. If all animals in a class are pulled, that sale position is forfeited.
9. The number of animals eligible to sell in each class will be determined and posted prior to each Junior Livestock Show.
10. Any exhibitor who wishes to pull an animal from the sale must fill out a "Pull Form" which is available at the Jr. Livestock Office located in the Jake Lopez Building. Deadline to submit a "Pull Form" is Thursday, August 22, 2024, by 8:30 pm. All pulls are final. If no "Pull form" is completed, the first animal you have eligible to sell will sell.
11. Any animal sold through this sale is not eligible to show at the New Mexico State Fair or the Eastern New Mexico State Fair as this is considered a disruption of ownership.
12. Exhibitors are required to sell their own animals unless excused by the Sale Superintendent.
13. Market Goats, Market Beef, Market Lambs, Market Swine, and Dairy Heifers will be sold by the head. Rabbits and Poultry will be sold by the pen.
14. A packer's bid will be available (if one may be obtained) for the Market Beef, Dairy Heifers, Market Lambs, Swine, or Goats. For sale animals only.
15. Any carcass condemned within 14 days of the sale, will forfeit sale and add-on money.
16. In the event an eligible animal dies before the sale, the next qualifying animal in the class will automatically be moved into the sale.
17. Should an animal which has been sold die before it is released on Sunday, then buyer will not be charged the packer price. And the exhibitor will not be paid the packer price.
18. Any unethical practice to eligible sale animals prior to or following the sale will cause that animal to be barred from the sale or forfeit sale receipts and add-on money.
19. The Junior Livestock Committee reserves the right to mark all animals sold through the Junior Livestock Sale.

20. Each animal sold in the sale will have 7.6% of the proceeds and add-ons deducted to help finance promotion for securing buyers to participate in the sale. The cost of the buyer's pictures will be deducted if a sponsor cannot be secured.
21. Sale animals will be released to the purchaser beginning at 6:00 am on Sunday morning 8/25/2024. Packer animals must be in designated pen area by 8:00 am on 08/25/2025.
22. Terms of the sale are cash, and buyers are expected to settle with the Sale Management immediately after the sale. Direct transactions with the exhibitor and the potential buyers are not permissible.
